Instructor: Randall Gibson, M.Ed., LMT, RPP has been presenting seminars on bodywork and energy healing across the country for over twenty years and is on the faculty of the National Institute of Massotherapy.

Introduction to Craniosacral Therapy In seventeen years of practice and continuing ed., I have never felt like I learned more and could go away practicing what I had learned.

Candyce Steigerwald, PT

Touch For Health Kinesiology I would recommend this course to others. (especially other P.T.s) Very useful, practical techniques.

Darlene Noble, PT
